VIRTUAL-REALITY SPACE TRAVEL?

Nah!

We're Going to Space for Real!

We are working to launch our own rocket into space this year from a high altitude balloon! Join us in this history-making venture. Be among the first **space hobbyists!**

Want to help? Find out more at our meeting on

Wednesday, February 22, 1995, 6:00 pm to 9:00 pm at the
Huntsville Association of Technical Societies (HATS) Office,
Suite 29, 4900 University Square (across from Book Star)

Open to public. New members welcome!
